迄今为止拥有38项铸造专利技术。

金工是一家生产各种牌号球墨铸铁、灰铸铁件、铸钢件，
以及各类高合金铸铁件、耐磨铸铁件的专业铸造机械加工企业。

Jingong is a National High-Tech Enterprise specializing
in precision castings and machining solutions for robotics,
industrial equipment and motion control applications.
The company holds 38 patented casting technologies.
